Curriculum: The first component of the Instituto Health Sciences Career Academy curriculum is the adopted Hersey Curriculum and Instructional Model, which was developed by Dr. Charles Venegoni and colleagues at John Hersey High School in Arlington Heights, IL. The core of this model is the sequential unfolding of the College Readiness Standards, which ensures that students are given adequate preparation to meet/exceed state standards on the PSAE and the ACT. The second component of the ~~curriculum~~ educational plan is the health sciences curriculum, which includes the career pathway curriculum

prepares students for industry-recognized credentials in the fields of therapeutics/diagnostics, health administration and health technology. Students will be able to smoothly transition into any program of post-secondary education in the area of health sciences. The third component of the educational plan is a series of personalized instructional methods, such as project based learning and problem solving, and ~~data-driven instruction~~

Advisory Body: A school advisory body will be established in a timely manner pursuant to 105 ILCS 5/34-2.4b and the Board's Renaissance School Policy in the following manner: the CEO or his designee in consultation with Instituto del Progreso Latino, Inc. shall develop the composition and duties of the advisory body for approval by the Board. Such requirements shall be included in the agreement with

shall provide a one-time payment to the school for planning positions in an amount not to exceed
